

## **IMPORTANT NOTICE**

**Subject:** Commitment for traceability of products Sugar International

### **Product traceability:**

In accordance with ISO 13485 and Directive 93/42 / EEC, we ask you to sign this document as a commitment to ensure the complete traceability of the products of the SUGAR international company that your company distributes, in order to be in agreement with the obligations of EC medical products.

We avail this opportunity to request also to immediately inform us of any complaint or claim coming from the customer, due to an alleged defect in the products of our production equipment.

Even possible inaccuracies in the information provided with the product, which may be reported by the customer, must be communicated to us without delay.

Company's Name

Name of the person in charge and Quality

Stamp, date and place of signature

The administrator Sugar International s.a.r.l
